Dear Church Family,

Twenty-five years ago, God shared His vision for Church of the King with Jennifer and me. Today, we are more excited than ever to see His vision coming to pass. From a tiny group of 19 people in 1999 to thousands now attending our weekend services, our vision to Reach People and Build Lives has remained our guiding compass. The Gospel is bringing new hope through six physical campuses, the online campus, local jails and prisons, partnerships with local and global ministries, and the TV and radio broadcasts. Tens of thousands of lives are being impacted by our church in our nation and around the world!

Jesus called us in Matthew 28:19 to “Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit.” In the following pages, I’ll be sharing three powerful ways you can make an impact as Kingdom Builders in 2025.

I love what King Solomon tells us in Proverbs 22:9: *The generous will themselves be blessed, for they share their food with the poor.*

Church of the King is known in our community and beyond for its generous

spirit. Through Kingdom Builders, we can focus this generosity for the greatest kingdom impact. Let’s commit to bringing the message of hope and salvation to our local communities and around the world this year.

Reaching and Building Together,

Pastor Steve Robinson

Who Are Kingdom Builders?

Three Areas:

Local Church Expansion

Kingdom Builders commit to funding the growth and expansion of the local church. Kingdom Builders play an exciting role in planting new churches, expanding/renovating existing facilities, or building new facilities. Church of the King has many opportunities to plant life-giving, Spirit-filled campuses and churches in our nation and worldwide. The harvest is plentiful!

Students and Young Leaders

Kingdom Builders believe in investing in the next generation. Kingdom Builders come alongside students and young leaders in helping them foster a love for the Scripture, God, and the lost. From birth through those beginning their careers, Kingdom Builders care deeply that the spiritual and practical needs of our students and young leaders are being met through experiences such as COTK Kids, weekly Youth services, Vacation Bible School, COTK Youth Conferences, COTK College, campus ministry, and many more. Kingdom Builders have a heart for the next generation!

Local and Global Missions

Kingdom Builders support vital mission projects and initiatives locally and globally. Locally, Kingdom Builders serve our community through outreaches such as Serve Day, Back to School supply campaigns, Thanksgiving Boxes, Hope for Christmas, and various other initiatives. Globally, Kingdom Builders' generosity provides Bibles for those who desire to know more about the Lord in nations across the world, humanitarian aid, relief to the poor, resources for planting churches, and developing leaders to fulfill the Great Commission. Everyone, locally and globally, deserves a chance to hear the Gospel.

Everyone can be a *Kingdom Builder!*

Jesus said, “I will build my church and the gates of hell will not prevail” (Matthew 16:18). Kingdom Builders lead the way in helping fulfill the vision of *Reaching People and Building Lives*. How? Through their faithful financial generosity. Kingdom Builders are those individuals and families who prayerfully commit to **give over and above their tithe** to one or more of three specific areas:

- Local Church Expansion
- Students and Young Leaders
- Local and Global Missions

Thank you for your faithful generosity to expand God’s Kingdom. *We can’t do it without you!*

Plan Stretch Dream

By God's grace and blessing, and through the sacrifice of many, Church of the King gives away millions of dollars every year. We only support reputable organizations and individuals who work to expand the Kingdom of God throughout our communities, our nation, and around the world.

This year you can become a Kingdom Builder!

Our Kingdom Builder Vision Need for 2025 is \$15,605,150 above our regular tithes and offerings which requires generous, sacrificial giving from everyone. Whether your giving is from a little or from great abundance, it's not equal giving but equal sacrifice that matters. On the next page are some ways you can step into generosity and become a Kingdom Builder.

Plan

First, pray and make a plan to give an amount over and above your tithe in 2025. When you have a plan and are diligent, it leads to plenty, according to Proverbs 21:5. Whatever the amount is—have a plan in place, work the plan, and be obedient with it. This is a great place to start!

Stretch

Next, pray and ask God to give you an amount over and above your regular tithe that stretches you. This might require sacrifice but will bring great reward! Habakkuk 2:2 tells us to write the vision down and pray about it! God will supply all your needs according to His riches in Christ Jesus (Philippians 4:19). Pray, believe, stretch, write it down, step out! God is with you!

Dream

Last, pray and ask God to give you a dream amount above your tithe that you can't accomplish in your own strength. Pray and ask God to supernaturally make this financial dream number a reality. It's an amount that's beyond what you could do in the natural. It takes faith! God can do exceedingly abundantly more than all we can ask or imagine (Ephesians 3:20).

Congratulations! When you commit to Plan, Stretch, and Dream, you're a Kingdom Builder! While thousands of Kingdom Builders will commit to give in 2025, remember, every gift matters to God. Don't wait! Pray and ask God what He would have you to do as a Kingdom Builder. God's miracle is just on the other side of your faith!

Kingdom Builders are blessed to be a blessing!
